Headline:

Dry and bright on Friday.

Today:

A dry and bright day with some sunny spells. Becoming rather warm inland during sunny spells after a chilly start, but slightly cooler around the County Down coast due to onshore winds. Maximum temperature 14 deg C (57 deg F).

Tonight:

Some early evening sunshine in the east, but cloud soon increases from the west to give a dry but cloudy night. Minimum temperature 2 deg C (36 deg F).

Saturday:

A dry day. Rather cloudy at times, but some good spells of sunshine too, particularly in the afternoon. Maximum temperature 14 deg C (57 deg F).

Outlook for Sunday to Tuesday:

A cloudier few days. Outbreaks of rain on Sunday and Monday. Rain clears on Tuesday to drier brighter conditions.
